Privacy Statement At Latrobe Health Services our commitment is to handle personal information in a way that is consistent with our Privacy Policy and our obligations under state and federal privacy legislation. The collection of this information is necessary to process health insurance claims. To enable benefits to be paid we may need to disclose this information to a hospital, medical and other health service provider in relation to this episode. We may also disclose personal information to the member named as the policy holder (or any other person who lodges an authorised claim for benefits who would normally be the spouse of the member) where there is an entitlement to benefits under a family cover policy. If personal information is not provided, the consequences may include our inability to process this claim. If you would like access to your personal information or more details concerning our information handling practices, please contact Latrobe Health Services on 1300 362 144.
